FOREX TRADING

Forex trading involves buying and selling different currencies in the global foreign exchange market. The aim is to profit from the price fluctuations between currency pairs. The forex market is the largest and most liquid financial market in the world, offering opportunities 24 hours a day, 5 days a week.

WHY TRADE FOREX ?

- ✓ World's largest financial market
- ✓ High liquidity and 24/5 trading
- ✓ Opportunities in rising and falling markets
- ✓ Multiple currency pairs to trade
- ✓ Accessible for both beginners and experienced traders
- ✓ Learn, practice and trade with proper risk management

SAME BOT • MULTIPLE LEVELS • BIGGER OPPORTUNITIES

HOW IT WORKS?

Bot level income is divided like this: If someone buys a \$100 bot, \$50 goes to the company and \$50 is split into three parts. **50%** of this \$50 goes to the first level, **30%** to the second level, and **20%** to the third level. This is only received the first time a bot is bought.
